## **LADIES NORTHERN ONTARIO AMATEUR NEWS (NLGA)**

*(August 13-15, 2010)*

Stone Ridge is pleased to announce that it will be the host site for the 2010 Northern Ontario Ladies Amateur Championship. The tournament will run in conjunction with the Northern Ontario Men's Amateur Championship as well. The event structure and format will be very similar to previous years. There will be number flights and age divisions and will be fair for all participants. Our agreement with the NLGA is that Stone Ridge will be the host site for the event for at least 5 years to come. This will give the tournament some much needed consistency and hopefully bring the participation level up to where it once was. This is a prestigious ladies event which will be fun, exciting and offer excellent food, service and prizes.

We hope to attract major Northern Ontario sponsors to help fund the event. This will keep the cost down for participants and add significant value to the tournament. Over the past 5 seasons the golf course has matured very quickly and is in excellent condition. The course will be set up to be fair and enjoyable for all abilities.

We hope to see you all out for the 2010 Northern Ontario Ladies Amateur Championship. More information about the tournament will be available on our website closer to the date of the tournament. Please check it out at [www.golfstoneridge.com](http://www.golfstoneridge.com).
