MEN'S INVITATIONAL NEWS

(June 5-6, 2010)

The Stone Ridge Men's Invitational has always been a single man stroke play event. In years past our tournament had attracted over 100 players per season but in recent years our participation level has fallen. In hopes of rejuvenating the tournament the 2010 Men's Invitational will now be a 2 man team event. I apologize to anyone who may not agree with this decision but were doing this because we have no other options and need to attract more players.

The new 2 man team format will be really exciting and challenging. It will be open to players of all levels and handicaps. The course set up will be fair for all players and even challenge the lower handicap groups. The first round will be a scramble format while the second round will be best ball. The overall winning team of the event will receive a FREE entry into the following seasons event, should they chose to return as defending champions.

I would like to thank all players who have participated in our Men's Invitational in the past. I hope you understand our decision to take the tournament in a new direction. I would like to congratulate Jay Jewett on winning the last three Stone Ridge Men's Invitational's and hope to see all of you out in 2010 at our new event.

NORTHERN ONTARIO MEN'S AMATEUR NEWS

(August 13-15, 2010)

Stone Ridge is pleased to announce that it will be the host site for the 2010 Northern Ontario Men's Amateur Championship. After hosting a successful event in 2009 the NGA committee has decided to return to Stone Ridge for at least the next 5 years. After that time a decision will be made to keep the tournament at Stone Ridge or move it to a new location. This will give the tournament some consistency from year to year and hopefully improve the participation in the prestigious event. As in the past there will be numerous flights and various age divisions to accommodate all ages and abilities. With 52 players in attendance in 2009 the entire tournament was run in match play format. Our intentions moving forward are to increase the field size and keep some of the flights as match play and add some flights of stroke play. The flights will all be determined based on your qualifying round on the Friday before the tournament.

Jay Jewett was the 2009 champion and as champion will receive an entry into the 2010 Ontario Amateur Championship held at the Idylwyld Golf & C.C. Stone Ridge is currently in discussion with the NGA and GAO in hopes of continuing this agreement and allowing the winner of the Northern Championship a guaranteed entry into the following seasons Ontario Championship. We believe this will help us attract a strong field of players in hopes of determining who the best player is in Northern Ontario each year. Our goal will be to have major Northern Ontario sponsors involved with the tournament and offer each participant a fun and exciting weekend of golf with great prizes, excellent service and top notch food. More information regarding the tournament will be available on our website throughout the summer. To stay informed about all the latest golf news and events at Stone Ridge visit us online at www.golfstoneridge.com.
